

# Early Learning Network of Central Coordinated Funding Request Public Input

## What is the Coordinated Funding Request?

*The Coordinated Funding Request is an opportunity for Program Partners to request state funding for the 2018-2019 year.*

## Why is it important?

*Funding throughout the state is limited. Requests will allow Program Partners to continue providing services or potentially add more seats. We are requesting 111 seats for the 2018-2019 year.*

*Bulletin 140 establishes review and complaint processes for providers and families. Therefore, any program or individual may submit a written complaint to the Louisiana Department of Education regarding the action or inaction of the Lead Agency in its Early Childhood Community Network. Complaints must be submitted to the Department at [earlychildhood@la.gov](mailto:earlychildhood@la.gov) within 30 calendar days of the action or inaction.*
